Personalised retirement benefits

RetireRight

Peace of mind

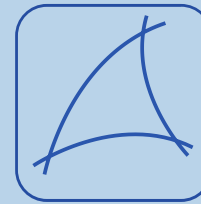

ARF Innovation – first to market with post retirement lifestyle strategy – particularly relevant DC members.

Familiar to Personalised GuidePath scheme members.

Designed as a failsafe as pensioners reach very old age. Peace of mind of a lifestyle option.

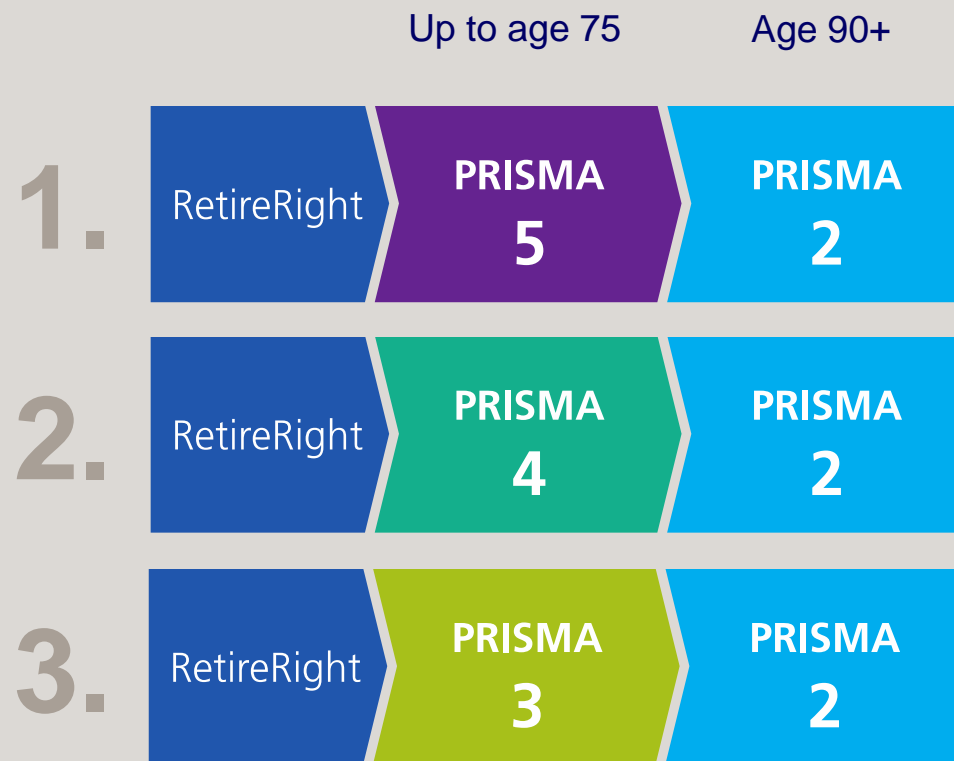

Built on **Prisma** Funds.

RetireRight

A first for Ireland

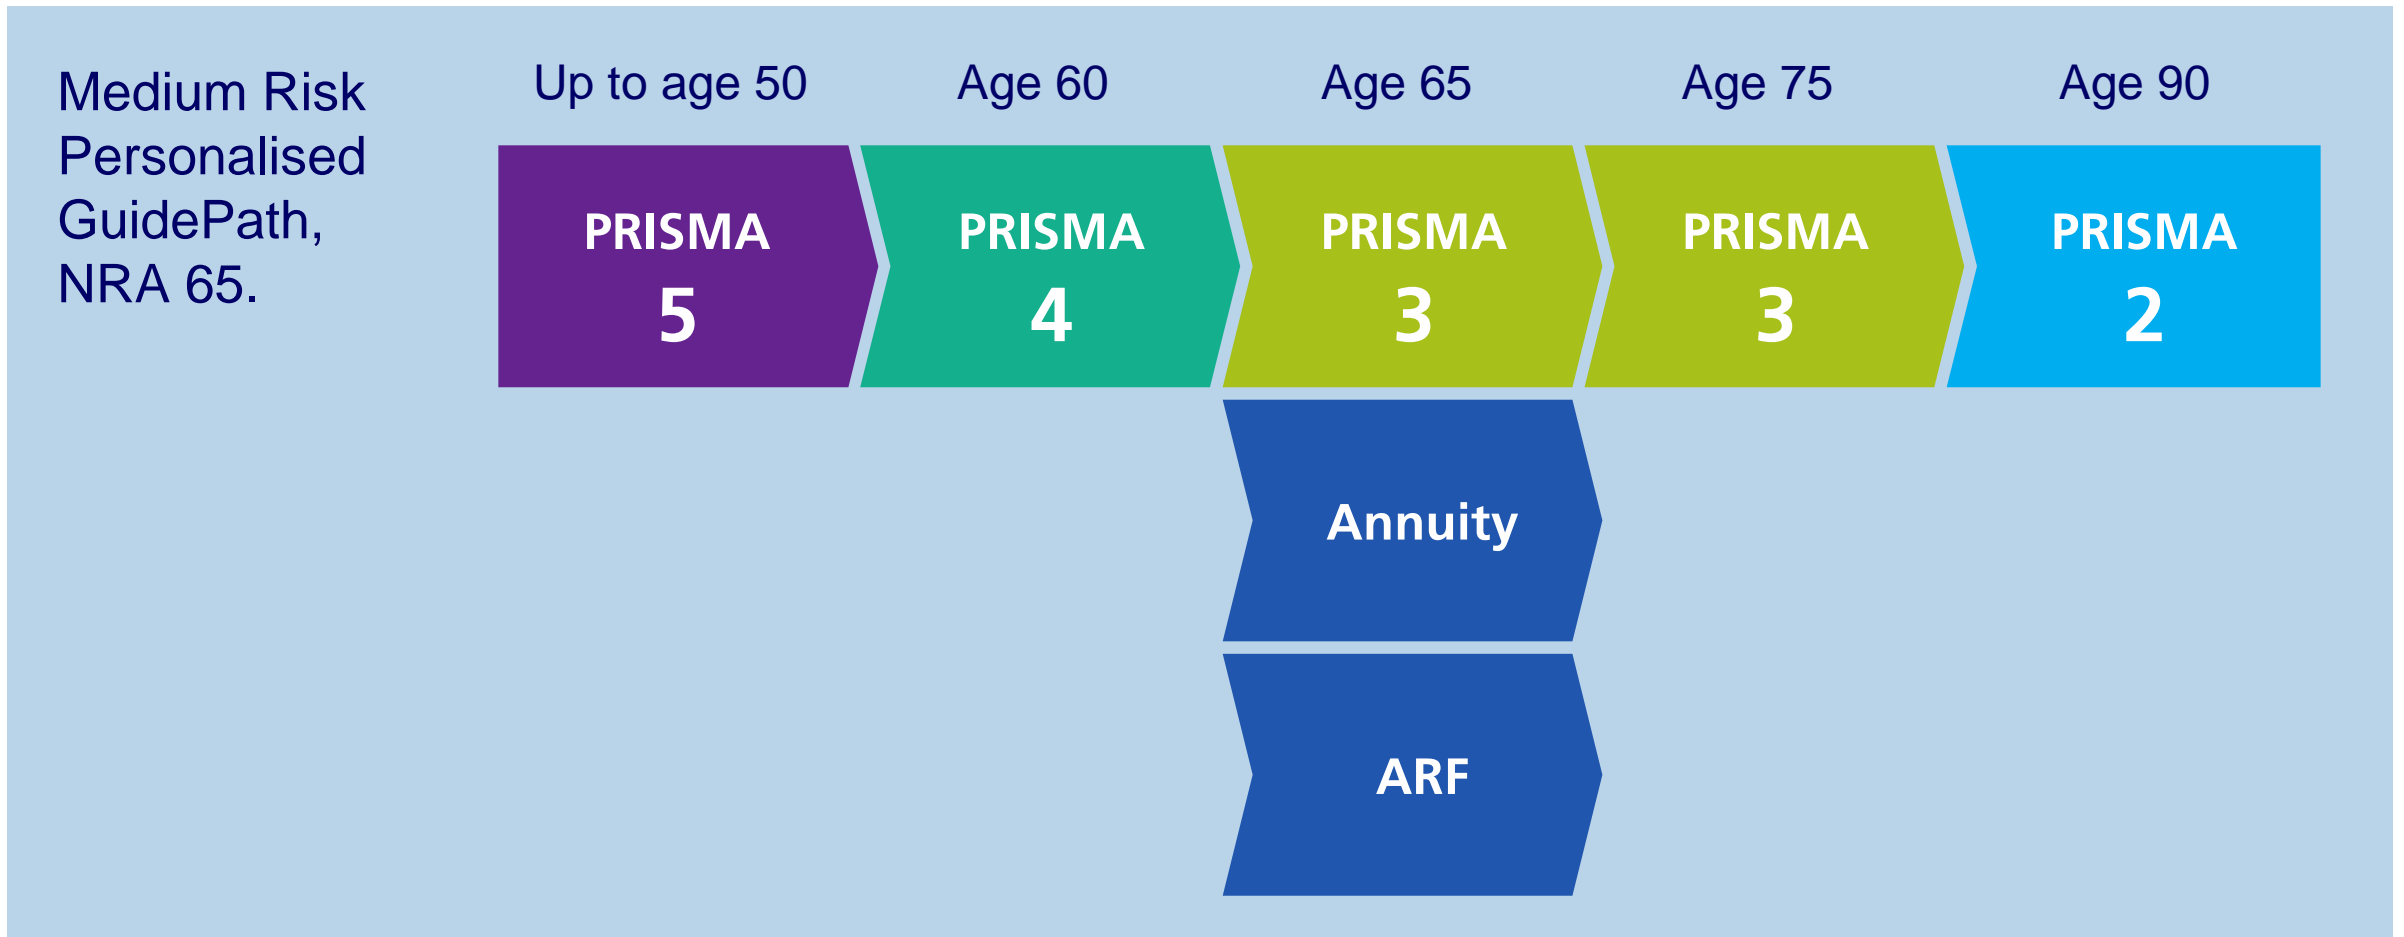

- Risk assessment done with advisor at issue.
- Choice between three risk levels.
- Flexibility to switch between, switch on or off at any time.

Through retirement lifestyle – One journey

Personalised GuidePath & RetireRight

Return/Volatility

“Volatility should be viewed simply as the cost of good long-term performance, not a risk to be avoided”

US yield gap

Equity Earnings Yields vs. Bond Yields (Percent)

Bull market's end – the warning signs...

Very tight monetary policy

Sustained acceleration in inflation

A big rise in short-term interest rates

An overheating economy

Severe overvaluation of equities versus interest rates
